- Ethical Conduct
- Responsible Governance
- Lasting Stewardship

Kentucky Natural Lands Trust's mission is simple: protect, connect and restore wildlands. When you make a gift to KNLT in your will or legacy plan, you ensure that this important mission endures for future generations.

There are many ways to leave a legacy of wildlands conservation. One of the most common ways is to include KNLT in your will or trust.

Sample Language for Your Will:

"I give Kentucky Natural Lands Trust, Inc. (Tax identification number: 61-1276913 Address: 433 Chestnut Street, Berea, KY 40403) _____% of my estate."

"I give Kentucky Natural Lands Trust, Inc. (Tax identification number: 61-1276913 Address: 433 Chestnut Street, Berea, KY 40403) a sum of \$_____."

"I give Kentucky Natural Lands Trust, Inc. (Tax identification number: 61-1276913 Address: 433 Chestnut Street, Berea, KY 40403) my real property* commonly known as _____."

"I give Kentucky Natural Lands Trust, Inc. (Tax identification number: 61-1276913 Address: 433 Chestnut Street, Berea, KY 40403) all the residue of my estate including real and personal* property."

*When considering a gift of real or personal property, it is important to discuss your intentions with KNLT prior to completing your documentation to ensure that we are able to fulfill your wishes.

Unless otherwise specified, legacy gifts will be used for the benefit of KNLT's general operating fund. If you wish to specify a different use, please discuss any specifications with KNLT staff before signing your legacy document. KNLT staff will always encourage you to consult your financial or legal professional before making any final decisions.

Creating a legacy plan gives you peace of mind that you can achieve your financial and charitable goals. Some legacy gifts also provide tax benefits or income in addition to supporting wildlands conservation.

Additional legacy gift options include:

- **Naming KNLT as a beneficiary of an Individual Retirement Account (IRA) or 401k**
- **Naming KNLT as a beneficiary of a Life Insurance policy**
- **Establishing a Charitable Gift Annuity**
- **Creating a Charitable Trust**
- **Creating a Retained Life Estate**

Legacy giving has significant tax and legal implications. Your financial or legal advisor is the best person to help determine if a legacy gift is right for you.

We hope that you will contact **Kentucky Natural Lands Trust** if you are considering a legacy gift so that we may honor your wishes, share examples of how other supporters have included KNLT in their plans and welcome you to our **Wildlands Legacy Society**.
